

# About Us

## **ABOUT US**

Combat Pest Control provides pest control services across Manitoba and Northwest Ontario for professional clients and homeowners. Our fully qualified, experienced pest control technicians deal with pest infestations including ants, bedbugs, mice, rats, squirrels, wasps, pigeons – and lots more. Whether you're a managing agent who needs on-call pest controllers for managed properties, or you're a householder who has a mouse problem in your kitchen, we can help.

## **QUALIFIED TECHNICIANS**

When you book an appointment with Combat Pest Control, our friendly, informed staff will turn up on time, help you to identify the pest that's causing the problem, and give you all the information you need to understand what needs to be done.
